Think about how an event in history may cause or change what happens next. Read each numbered sentence in the *Cause* column of the chart below. Then find information in Reading Further 6 in your book to help you answer the question in the second column. Write your answer in the *Effect* column.

Cause		Effect
1. King Philip's brother died.	How did King Philip feel about the English? Explain.	
2. The English put two Wampanoags to death after finding them guilty of murder.	How did the Wampanoags react? What did this lead to?	
3. English forces feared that the Narragansett tribe would join King Philip's war against the English.	What did the English do to prevent this?	
4. King Philip asked the Mohawks for help.	What did the Mohawks do? How did this affect King Philip's forces?	
5. The English thought they were losing the war.	What did the English do to increase their forces? How did this change the war's outcome?	
6. About 1 in 20 English settlers and about 4 in 10 American Indians died.	After the war, who had lost power and who had gained power in New England?	

In which settlement would you prefer to live, Jamestown or Plymouth? Design a real estate advertisement that encourages people to move to that settlement. Your advertisement should

- describe the geography and climate of the area.
- explain the opportunities available to new settlers.
- provide information about how nearby American Indians have reacted to the settlement.
- include pictures of life in the settlement.
- be free from spelling and grammatical errors.
